Located on the migratory paths of many western hemisphere species, Texas is a birding mecca. This beautifully illustrated field guide features over 400 species either common or particularly notable in the Lone Star state. Descriptions of each bird, as well as the illustrations and range maps, help you identify birds and understand their habits. A checklist helps you keep a list of your birding accomplishments. Includes a 12 page quick reference guide and a guide to top birding sites in the Lone Star State. With over 600 illustrations and 402 maps.
