**Father and Son (John Ray #2) (John Ray / LS9 crime thrillers)** John Barlow

Someone wants you dead. You don't know who. Or why...

John Ray is called to the scene of a violent murder. The victim is an old associate of John's dad, local crime boss Tony Ray. There's no obvious motive for the crime, but everybody agrees on one thing: don't tell the police.

John, the Cambridge-educated white sheep of the Ray family, has always refused to be part of his father's business. But he's a bit of a maverick, with a foot in both worlds, and he's not quite as white as he would like: exactly the kind of person you'd want to investigate an underworld murder.

His search for the killer takes him back to events twenty years ago, and to another, even more heinous crime. But he still doesn't really know what he's looking for. Until it's too late.

Plus, he's not the only one looking...

FATHER AND SON is the second crime thriller in the John Ray / LS9 series.
