Jesus Wants to Save Christians: A Manifesto for the Church in Exile Rob Bell, Don Golden

There is a church not too far from us that recently added a \$25 million addition to their building. Our local newspaper ran a front-page story not too long ago about a study revealing that one in five people in our city lives in poverty. This is a book about those two numbers. Jesus Wants to save Christians is a book about faith and fear, wealth and war, poverty, power, safety, terror, Bibles, bombs, and homeland insecurity. It's about empty empires and the truth that everybody's a priest. It's about oppression, occupation, and what happens when Christians support, animate and participate in the very things Jesus came to set people free from. It's about what it means to be a part of the church of Jesus in a world where some people fly planes into buildings while others pick up groceries in Hummers.
