Media Edition of Nursing in the Community (3rd Edition) Mary Jo Clark

For courses in Community Nursing, Nursing in the Community emphasizes critical thinking and the application of community health principles in nursing practice. Using the Dimensions Model, it pulls together nursing, health risks and health care, while applying community principles to the individual, the family and the community. It embodies a holistic approach that focuses on all aspects of community health. The Media Edition is accompanied by a Companion Website and Study Wizard CD-ROM.
