Towards a Global Community: Educating for Tomorrow's World (Education in the Asia-Pacific Region: Issues, Concerns and Prospects)

This book is the outcome of a global study undertaken on behalf of the World Education Fellowship (WEF) in collaboration with UNESCO. It provides education policy makers with evidence to support programs that address the major challenges faced by education systems in the next decade. It contains case studies, and it expands on the work done by UNESCO's International Commission on Education for the 21st Century (the Delors Report).
