Warriors: Dawn of the Clans #6: Path of Stars Erin Hunter

Discover the origins of the warrior Clans in the conclusion to this thrilling prequel arc in Erin Hunter's #1 nationally bestselling Warriors series. The Dawn of the Clans takes readers back to the earliest days of the Clans, when the cats first settled in the forest and began to forge the warrior code.

After moons of strife, the forest cats have settled into five camps. But now the dangerous rogue Slash has kidnapped Clear Sky's mate, Star Flower, and made demands for prey that the cats cannot afford to meet. Desperate to save Star Flower, Clear Sky must convince the other groups—led by Tall Shadow, Wind Runner, Thunder, and River Ripple—to join forces. As Slash's attacks grow more vicious, one thing is clear: if all five groups can't work together, their new way of life may not survive.

Dawn of the Clans #6: Path of Stars also includes an exclusive bonus poster and a sneak peek at the next Warriors series!
