## **A Call From the Haven** J.J. Stone

In 1977, J.J. Stone would fall deeply in love with Christopher Smith and they would remain in love throughout his prison conviction for murder, throughout both of their marriages and throughout the last 28 years since his death. Complicated? Beautiful? Torturous? Her relationship with Chris Smith was all of the above. Throw in unbelievable, wondrous, spiritual, frustrating and magical. He has a hold on her to this day that is so complex that some days it seems too powerful to even exist. She nearly destroyed herself trying to save him and in the end it was a life sentence for murder that gave him his freedom. He wanted this story told so his children would know the truth about the father they never really knew and she promised she would write it. This is their true life story.
