An Exploration of Christian Theology Don Thorsen

Beginning theology students often find themselves bewildered by a maze of beliefs represented in Christian history and tradition. Don Thorsen's *An Exploration of Christian Theology* unravels the knots of theology by exploring the whole Christian tradition in a simple and straightforward way.

Beginning with introductory chapters on theology, revelation, and authority, this book deals with biblical teaching and Christian tradition related to such topics as God, creation, sin, Jesus Christ, salvation, and eschatology. Chapters conclude with helpful questions for further reflection and discussion and a convenient glossary of theological terms is included.

This is an excellent introduction to Christian theology for classroom or individual use.
