Due to toxic air, life expectancies are so low the only way the tribe can survive is by forcing women to procreate when they turn sixteen and every three years thereafter. It is their duty as Bearers. Fifteen-year-old Siena is a Youngling, soon to be a Bearer, when she starts hearing rumors of another tribe of all women, called the Wild Ones. They are known to kidnap Youngling girls before the Call, the ceremony in which Bearers are given a husband with whom to bear children with. As the desert sands run out on her life's hourglass, Siena must uncover the truth about the Wild Ones while untangling the web of lies and deceit her father has masterfully spun.
