Jackson has always been the brother in the background, but when his mate is threatened, he rises to the occasion. When a phone call sends Jackson to Las Vegas to check on his brother, he's not overly surprised to find Max gone. Jackson's big surprise is waking up with a gorgeous naked Vegas showgirl on top of him. Dani can't believe the hot, hung stud in bed with her isn't her soon-to-be-ex fiancé, Max. But soon the truth appears. They might look alike but Jackson's quiet strength is polar opposite to his playboy brother. It appears she's been sleeping with the wrong brother all this time... When Reign, a Cat Shapeshifter, shows up needing Dani's help to trap a killer, Jackson's protective instincts kick in. The Cat community is dangerous to outsiders. To guard Dani, Jackson must become Reign's lover. Though he's never been with another man, Jackson will do whatever it takes to protect his mate. Publisher Note: Sequel to Maxwell's Fall. Though it is not necessary to read that book first, a richer reading experience will be found by reading both volumes together. And do you really want to miss out on Max's story?
