## **Life for Dreams** Vera Stanek

Vera Stanek's book, *Life for Dreams*, is a modern Odyssey of a woman and her family following the dreams about freedom, friendship and dignity. The woman is Vera Stanek and the book is her memoir. Vera Stanek covers an entire lifespan from one way of life to another, regime change to regime change and the cost and joy of daily survival. The book is the personal documentation of one family's journey, globally, politically and personally. While she shares with readers the struggle of day to day living, she also gives them hope by showing, that even in the most oppressive circumstances, a person can find love, happiness and beauty. Nature, music, books, personal creativity and belief in others can help keep a person's dream for life. Vera Stanek and her husband never give-up on their dreams. Life does not defeat them as they prove that regardless of age, the human spirit can survive. Much can be learned from the events that span six decades. This book not only gives the reader an opportunity to learn about a family who knows how to survive, but gives them an understanding of 20th century history that should be not forgotten.
