The Banker Spy

William G. Byrnes

The Banker Spy William G. Byrnes

The Banker Spy weaves history into a contemporary thriller about ex-lovers who become entangled in a web of international intrigue. Investment banker Peter Armstrong believes he's left his past in the States. He has an exciting new job in London and is managing the largest equity offering in European history. Behind him are an incident at his old employer and a broken engagement. He thinks his only problem is his client—an automobile company desperate for cash. Then he receives a phone call from his ex-fiancée, Dayna Caymus, a beautiful and unpredictable CIA agent. When Peter discovers that his client is secretly working for the German government the two ex-lovers enter into an uneasy alliance which their past sometimes helps and sometimes hurts, all the while sorting through their feelings for each other. Dayna puts her mission first, leading Peter into a labyrinth of deception and conspiracy. Peter loses his client, his job, and almost his life as they race to learn Germany's secrets—secrets that could start a nuclear war.

From reader reviews:

Irma Hughes:

What do you think of book? It is just for students as they are still students or it for all people in the world, the actual best subject for that? Simply you can be answered for that question above. Every person has distinct personality and hobby per other. Don't to be compelled someone or something that they don't want do that. You must know how great as well as important the book The Banker Spy. All type of book can you see on many methods. You can look for the internet solutions or other social media.

Marie Nitta:

Here thing why this kind of The Banker Spy are different and reliable to be yours. First of all studying a book is good however it depends in the content from it which is the content is as yummy as food or not. The Banker Spy giving you information deeper including different ways, you can find any publication out there but there is no reserve that similar with The Banker Spy. It gives you thrill examining journey, its open up your own personal eyes about the thing which happened in the world which is probably can be happened around you. It is easy to bring everywhere like in park, café, or even in your means home by train. If you are having difficulties in bringing the imprinted book maybe the form of The Banker Spy in e-book can be your alternate.

Morgan Lytle:

Many people spending their time period by playing outside along with friends, fun activity along with family or just watching TV the whole day. You can have new activity to invest your whole day by studying a book. Ugh, you think reading a book can actually hard because you have to take the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Mobile phone. Like The Banker Spy which is obtaining the e-book version. So , try out this book? Let's notice.

Ronald Marinelli:

Is it anyone who having spare time subsequently spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something new? This The Banker Spy can be the answer, oh how comes? A book you know. You are thus out of date, spending your spare time by reading in this fresh era is common not a nerd activity. So what these books have than the others?
