## The Great American Whatever Tim Federle

From the award-winning author of *Five, Six, Seven, Nate!* and *Better Nate Than Ever* comes “a Holden Caulfield for a new generation” (*Kirkus Reviews*, starred review).

Quinn Roberts is a sixteen-year-old smart aleck and Hollywood hopeful whose only worry *used* to be writing convincing dialogue for the movies he made with his sister Annabeth. Of course, that was all before—before Quinn stopped going to school, before his mom started sleeping on the sofa...and before the car accident that changed everything.

Enter: Geoff, Quinn’s best friend who insists it’s time that Quinn came out—at least from hibernation. One haircut later, Geoff drags Quinn to his first college party, where instead of nursing his pain, he meets a guy—okay, a *hot* guy—and falls, hard. What follows is an upside-down week in which Quinn begins imagining his future as a screenplay that might actually have a happily-ever-after ending—if, that is, he can finally step back into the starring role of his own life story.
