**Experience Blood Feud: The Clintons Vs. The Obama Game Of Thrones Style!**

*Discover the graphic novel parody / mash up of Ed Klein's Blood Feud and George RR Martin's Game Of Thrones which will leave you rolling in the aisle!*

Who doesn't love a good Blood Feud! Edward Klein certainly doesn't, as he makes clear in his book bestselling book Blood Feud. Detailing the battle between the Clintons and Obamas for control of the Democratic Party it embraces (as the Washington Post's Richard Cohen puts it) America's twin obsessions of race and sex. Although sex and copious amounts of violence are more GRR Martin's forte, he clearly loves a good Blood Feud too. Don't you think these two kids should be brought together? And that's exactly what we did.

Our book is a graphic novel re-imagining of Ed Klein's Blood feud set in the Game of Thrones universe. Barack Obama as Robert Baratheon? You bet! Bill Clinton as Khal Drogo? Who doesn't want to see that? Hillary Clinton as Daenerys Targaryen? Read the parody ... we make it work!

The tapestry that Ed Klein and GRR Martin wove in their respective works is so rich this book can't help but be good! Just listen to this praise for some of Ed Klein's previous works. You can't beat endorsements like these!

- The book is poorly written, poorly thought, poorly sourced and full of the kind of loaded language that is appropriate to a polemic but not an investigative work. - Peggy Noonan reviewing "The Truth About Hillary" for the The Wall Street Journal
- This is one of the most sordid volumes I've ever waded through. Thirty pages into it, I wanted to take a shower. Sixty pages into it, I wanted to be decontaminated. And 200 pages into it, I wanted someone to drive stakes through my eyes so I wouldn't have to suffer through another word. - John Poadhoretz reviewing "The Truth About Hillary" for The New York Post
- Unfortunately, The Truth About Hillary fails even as pornography. It's about as arousing as footage from a hidden camera in the bathroom of a highway truck stop. - John F. Harris reviewing "The Truth About Hillary" for the New York Observer
- The latest assault is by Edward Klein, whose name commonly appears in print these days in close proximity to words like smarmy and sleazy. - Clyde Haberman, The New York Times
- This book is the literary equivalent of a backed-up septic tank. - Larry Cox, The Tucson Citizen

After you clear your eyes of tears (from laughter, we hope) you'll never look at the Obamas, the Clintons, or Game Of Thrones the same way again. Order this book now and experience the greatest Blood Feud / Game Of Thrones mash up / parody on the market today! (Yeah, it's the only one, but it's still technically true).
