## **Homage To Catalonia by George Orwell** George Orwell

©1952, stated Sixth Printing 1961, softcover, 232 pages, no illustrations, measures about 8 inches X 5 3/8 inches. "George Orwell went to Spain in late 1936, in his role as a journalist, but then, pretty inevitably, put down his pen and spent the next year fighting with the P.O.U.M (Partido Obrero de Unificacion Marxista) Militia against the Fascist forces under Francisco Franco. Homage to Catalonia, written immediately after his return and published in 1938, tells the story of his military service with the POUM, both against the Right and the Left, and, in quick succession, of his initial hopes for the classless society that he thought he had found on first arrival, then of his disappointment with the level of disorganization of the Leftist forces and finally of his disillusionment when pro-Stalinist "allies" began attacking Socialists and Anarchists who refused to toe the Soviet line. Orwell, who by then had nearly been killed when shot through the neck in battle, and his wife were ultimately forced to flee from Spain, to avoid Stalinist security forces, which had labeled him pro-fascist."
