- **ONE DEADLY SISTER** the first novel in this popular women sleuths mystery romance series featuring the irrepressible Sandy Reid.

She doesn't carry a gun, but then neither does a pit bull. ~ When an almost-too-clever young law student in Philadelphia gets a life-or-death call from her estranged brother who just moved to Florida--she tells him to go to hell. She doesn't need this. She's holding an old grudge and resents having her life interrupted.

The brother doesn't come looking for trouble, he simply wants to get past his Philadelphia divorce and start a new life in Florida, but woman-trouble comes looking for him. Unfortunately, he arrives in the small Florida ocean side town just as someone murders the local gubernatorial candidate. The brother doesn't have a clue about women and gets seduced and framed. He hasn't bothered with his estranged sister up north for years, but now as a stranger in a hostile town she's his only hope.

She reluctantly decides to at least check out her brother's predicament in Florida. This small step leads the sister into an ever-increasing entanglement of deceit, double-cross, and danger, and she must somehow persuade the attractive investigating detective to play things her way.
