## Approaches to Art Therapy: Theory and Technique

The third edition of *Approaches to Art Therapy* brings together varied theoretical approaches and provides a variety of solutions to the challenge of translating theory to technique. In each chapter, the field's most eminent scholars provide a definition of and orientation to the specific theory or area of emphasis, showing its relevance to art therapy. The third edition includes many new chapters with material on a wide variety of topics including contemplative approaches, DBT, neuroscience, and mentalization while also retaining important and timeless contributions from the pioneers of art therapy. Clinical case examples and over 100 illustrations of patient artwork vividly demonstrate the techniques in practice. *Approaches to Art Therapy, 3rd edition*, is an essential resource in the assembly of any clinician's theoretical and technical toolbox, and in the formulation of each individual's own approach to art therapy.
