Journalist Lola Wicks discovers a story she can't resist . . . but it could be her last

When former foreign correspondent Lola Wicks heads to Wyoming for a Yellowstone vacation, she comes across a story that hits close to her past. One Wyoming soldier returning from Afghanistan commits suicide, two others spark a near-fatal brawl, and a woman is terrorized. Lola, accompanied by her young daughter, senses a story about whatever happened on the far side of the world that these troops have so disastrously brought home. But she soon realizes that getting the story must take second place to getting herself—and her little girl—out of Wyoming alive.
