Then I heard someone coming in. It was Lyle our starting fullback. He kind of snuck up on me and he startled me. For one thing, when I first got into the tub my hand went to my large cock. I had been sitting there for a half an hour slowly stroking myself. My big cock was hard as it gets; and then I saw Lyle walking back toward the hot tub. Hands off, I told myself.

Lyle put his stuff down on the table right next to the hot tub and next came a scene that I've never forgotten. He was directly across the hot tub from me and began to strip naked. First, he took off his t-shirt to reveal a perfect, chiseled, smooth, muscular torso. His biceps were huge and ripped with indentations in the sides from being so lean and big. And then a moment came that changed my life, As Lyle lowered his gym shorts, I stared right at his long, thick cock hanging straight down and it was much bigger than mine!

But what was really amazing was that my cock immediately jumped up and got so hard it hurt. I was never attracted to penises in my life; but Lyle's cock was a something else. Just like the rest of his body it looked smooth, naturally-hairless, strong, and huge. Circumcised and flaccid, it hung straight down. Way down.
