The first thing you should know about me is that I am dead ...

Death. It comes to us all, even to you, one day. When death slips its hand around your tired hand, you will welcome the cold touch, I promise you. It is the leveller, the constant ... the one thing none of us can avoid. The rich, the poor, the gifted and the lame; we are all alike in death. Death is equal. Death is pure.

Three tales wind through She-Wolf, each following the path of a different character. Ryder De Winter, the illegitimate son of Rafael De Winter, born with too much to prove. Tabitha Larch, a child forced into marriage with the cold and callous chieftain, Ares Wolfsnare, her innocence sacrificed to unify the two most powerful elven tribes on the Isle. And the She-Wolf, whose tale is as strange as she is ...

Three strands, seemingly unconnected, finally join together to become one, in this, the seventh book in the Isle of Dreams series.
