A History of the World's Religions

David S. Noss, Blake Grangaard

A History of the World's Religions David S. Noss, Blake Grangaard

A History of the World's Religions bridges the interval between the founding of religions and their present state, and gives students an accurate look at the religions of the world by including descriptive and interpretive details from the original source materials.

Refined by over forty years of dialogue and correspondence with religious experts and practitioners around the world, *A History of the World's Religions* is widely regarded as the hallmark of scholarship, fairness, and accuracy in its field. It is also the most thorough yet manageable history of world religion available in a single volume, treating many subjects largely neglected in other texts.
