Fables: 1001 Nights of Snowfall Bill Willingham

Don't miss a new softcover edition of the acclaimed hardcover graphic novel from FABLES creator Bill Willingham and a star-studded array of artists! This volume, set in the early days of Fabletown, long before the FABLES series began, featuring sequences illustrated by Charles Vess, Brian Bolland, John Bolton, Michael Wm. Kaluta, James Jean, Mark Buckingham, Jill Thompson and more, 1,001 NIGHTS OF SNOWFALL is both an entry point to the critically acclaimed series and an essential part of Willingham's enchanting and imaginative FABLES mythos. Traveling in Arabia as an Ambassador from the exiled FABLES community, Snow White is captured by the local sultan who wants to marry her (and then kill her). But the clever Snow attempts to charm the sultan instead by playing Scheherazade, telling him fantastic stories for a total of 1,001 nights. Running the gamut from horror to dark intrigue to mercurial coming-of-age, FABLES: 1,001 NIGHTS OF SNOWFALL reveals the secret histories of familiar FABLES characters through a series of compelling and visually illustrative tales.
