Gillian Flynn's Gone Girl summary and analysis.: summary and Analysis of Gone Girl Novel by Gillian Flynn Shaf publishers

Gone Girl is a thriller novel by American writer Gillian Flynn. Crown Publishing Group published the novel in June 2012 and it soon made the New York Times Best Seller list. The novel's principal suspense comes from uncertainty about the main character, Nick Dunne, and whether he is involved in the disappearance of his wife. The book is an example of the literary subgenre called Domestic Noir.

In several interviews, Flynn has said that she was interested in exploring the psychology and dynamics of a long-term relationship. In portraying her principal characters who are out-of-work writers, she made use of her own experience being laid off from her job as a writer for Entertainment Weekly.

Critics in the United States positively received and reviewed the novel. Reviewers praised the novel's use of unreliable narration, plot twists, and suspense.
