Gustavus Adolphus John Stevens

Among the persons whose genius, heroism and force of character influenced events, and won commanding game, in the seventeenth century, Gustavus Adolphus of Sweden is justly regarded of the first. The author has read and carefully considered whatever might throw light on his character and career. He realizes its imperfection and inadequacy as a full statement of the genius and work of the remarkable personage it attempts to represent. But the essential facts and import of his history are presented, and to these the critical reader will be able to supply what wants in our manner of statement.

To better elucidate the life and deeds of the illustrious hero, we have given a brief sketch of earlier Swedish history, of the causes and beginning of the War of Thirty Years, and of some of the chief men with whom his career was identified...
