## **Love & Hate (Book One: Hate) JJ Dorn**

There's something about a horse barn in the early morning hours that makes my heart full. I love walking into the barn hearing the horses chewing on the sweet alfalfa and feeling their contentment. This is where I feel most like myself, this is where I am no longer Paige Vandenberg, daughter of millionaires or the chubby rich girl. I am just me and I am free.

I have been raised around horses my whole life. My parents own a large horse farm in the picturesque Dutch town of Lynden, Washington. Lynden sits just a few miles south of the Canadian border and truly is a small town. My family is one of the oldest families and we own or have owned practically everything. You can't drive down the main road and not see Vandenberg scrolled on something. For many people I'm sure this sounds wonderful, but to me it's a prison. One in which I fully intend to break free of next year when I leave for college. I will miss my family and of course my horses but I will not miss the people, and especially not resident bad boy Cutter Daniels. I hate him.
