This text-workbook consists of 14 tutorial chapters that provide extensive coverage of accounting topics and offers balance between reading and hands-on activities. Each chapter features an end-of-chapter application problem. The text comes with a CD ROM containing beginning data and an educational version of Peachtree 7.0. The book is also available with template disks (002-804762-4). The disks do not contain the Peachtree program. Schools can obtain a free site license from Peachtree by calling their toll free number or visiting their website.
