## Sexy, dark ... Dangerous ... Do you dare?

**USA TODAY BESTSELLING AUTHOR Clarissa Wild** brings you **SEEK**, a **FREE** prequel to the dark Romance suspense Delirious Series.

*When illusions come to life, how do you tell what's real?*

My life ended when I came back from vacation. Death was at my doorstep. Everything ceased to exist. To protect myself, I pushed the memories away.

All I remember is him: Sebastian Brand, my savior.

I trust only him.

I am obsessed with him.

But all I know about him is his name.

Stuck in this mental institution, I try not to think about the terrible memories that lurk deep inside me.

Sebastian is the only one who can help me forget. I don't care that they say he doesn't exist, I need Sebastian and I will find him, no matter the cost.

*This is a prequel to the Delirious Series. These books should be read in order.*

**\* Author's note: This series consists of 3 complete books. Not all secrets will be spilled yet in this prequel. Don't let this stop you from reading, though, because this series will be one heck of a ride. So open your mind and let me take you on a journey of delirious passion, unbendable trust, frightening illusions, dangerous secrets, shocking revelations, and disturbingly dark mind games. \***

***WARNING: This series contains very disturbing situations, strong language, drugs and alcohol, and graphic violence.***
