This is No. 2 in The Val & Kit Mystery Series. When Kit suspects Larry of having an affair with one of his employees, Susan Reed, she enlists Val's help in uncovering the truth. The morning after a little stalking expedition by the lifelong friends, Val reads in the newspaper that Susan Reed was found shot to death in her apartment the night before, right around the time Kit was so certain Larry and Susan were together. Were they having an affair? And did Larry murder her? The police, in the form of dishy Detective Dennis Culotta, conduct the investigation into Susan's murder, hampered at times by Val and Kit's insistent attempts to discover whether Larry is guilty of infidelity and/or murder. As the investigation heats up, so does Val's relationship with Detective Culotta.
