The Six Wives of Henry VIII

Antonia Fraser

The Six Wives of Henry VIII Antonia Fraser

"Divorced, beheaded, died; divorced, beheaded, survived.' So the six wives of Henry VIII - Catherine of Aragon, Anne Boleyn, Jane Seymour, Anna of Cleves, Katherine Howard and Catherine Parr - have become defined in a popular sense not so much by their lives as by the way these lives ended. In the same way their characters are popularly portrayed as female stereotypes: the Betrayed Wife, the Temptress, the Good Woman, the Ugly Sister, the Bad Girl and, finally, the Mother Figure. But, as Antonia Fraser brilliantly and conclusively proves, they were rich and feisty characters. They may have been victims of Henry's obsession with a male heir, but they were not willing victims. On the contrary, they exhibited remarkable degrees of spirit and defiance of which women living now might still be proud. They displayed considerable strength and intelligence at a time when their sex supposedly possessed little of either. Antonia Fraser deals with each woman in turn with sympathy - the sympathy they deserve for having had the unenviable fate of being Henry's wife. Inevitably there was great rivalry between them, so high were the stakes in the great game of marrying the King of England. There was jealousy too - the desperate jealousy of Queens who found themselves abandoned, but also the sexual jealousy of the King who discovered himself betrayed. The story Antonia Fraser tells is romantic and cruel, funny and sad, dramatic and enthralling. This is historical biography at its best. "An intoxicating mixture of sex, sentiment and court intrigue...Fraser has the knack...of making history not merely readable but irresistible" Sunday Times

In a situation you wish to purchase the e-book, you can open their official web-site as well as order it. Have a nice read.

Kent Moore:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this The Six Wives of Henry VIII can make you really feel more interested to read.
