**Wicked (The Pack of St James)** Noelle Mack

In a quiet university town, amid the crumbling ruins of a mansion, ten aspiring writers devise a most unusual experiment. . .an experiment that goes chillingly, horrifyingly wrong. . .

It begins when two of the wannabe authors challenge each other to the ultimate test of inspiration. They're Eve and Angela. They're both devastatingly beautiful. . .and devastatingly competitive.

Now, a violent storm has plunged the house into darkness. The doors are locked. The phones are dead.

**And one writer's imagination is about to run wild. . .**
