## **Who Needs a Spanking?** Alexia Masters

Who needs a spanking? In this anthology of stories featuring hard, bare-bottom punishment, the answer is “everyone.”

Few authors write spanking scenes as well as Alexis Masters, who always seems to know exactly what spanko readers love to hear. And in these stories, naughty women know better than to disobey when they are told to hike up that skirt and bend over.

From “Angela and the Professor,” which tells the story of a student who submits to some old-school correction for letting down her favorite instructor, to “Masks,” where a pretty wife gets a spanking every day, but not for the reasons you think, to “What I Saw at Melissa’s” and “Ellen and Me,” which offer a voyeur’s perspective on punishment. ??These and other stories await you in this classic collection from CF Publication, offered for the first time in e-book form to the delight of disciplinary enthusiasts...

Cindy's Lesson - "If anyone makes the effort to look in this window, all they'll see is a naughty young lady getting her bottom warmed for acting like a strumpet. Now if you know what's good for you, you'll get that skirt up to your waist!" Tentatively she raised the pleated skirt behind her. "Pull down your panties. Down to your knees. Your bare backside is going to feel this spanking."

New Masks - When Jon comes home and finds his wife Karen standing in the corner, he knows she has committed some serious misdeed. After the explanation, he orders her upstairs to wait, her plaid skirt bunched around her waist, her pantihose and panties around her knees, and two pillows placed on the bed to place her bottom perfectly for the strapping to come.

More New Masks - Karen had a number of persona she put on for their mutual pleasure, there was the happy homemaker, the eager slave, the naughty girl, and more. But there has to be a first time for each of them, tonight Jon would have to deal with the sullen slave.

Ellen & Me - When Uncle James takes Ellen into the study for a spanking, Suzy watches and tells us about it.

LISA'S NEW JOB - is ideal; high salary, extensive travel, much responsibility and much opportunity. However, refusal to do what she is told results in Lisa having to stand in the corner displaying her freshly spanked bottom

Patricia & Ryan - Patty had a spanking coming for being late. When she lies to try to get out of it and exhibits an attitude when told to go to the corner and drop her panties and wait for her spanking, she only makes it worse.

Personal Trainer - Mark Sutton was trainer to the stars, but Colene did not expect his methods. What was she doing following his instructions to drop her pants and bend over with her hands on the sofa while he lowered her panties to spank her?

Angela & the Professor - Cheating is a bad idea, especially if you get caught by a professor who believes in

the effectiveness having a cheater lower her pants and panties and turn over his knee for a sound spanking.

What I Saw at Melissa's - Melissa has been naughty, she is going to be spanked and she is going to be spanked in front of her friend Tami. Tami is horrified and embarrassed for her. Then she learns that she is next.
