**Chiefs: A Novel (25th Anniversary Edition) (Will Lee Novels Book 1)** Stuart Woods

The compelling thriller that launched the career of best-selling novelist Stuart Woods in an anniversary hardcover edition.

In the bitter winter of 1920, the first body is found in Delano, Georgia; the naked corpse of an unidentified teenager. There is no direct evidence of murder, but the body bears marks of what seems to be a ritual beating. The investigation falls to Will Henry Lee, a failed cotton farmer newly appointed as Delano's first chief of police. Lee's obsession with the crime begins a story that weaves through the decades, following the life of a small southern town and the role of three police chiefs in unraveling the crime. *Chiefs* is the best kind of thriller, where the investigation plays out against the drama beneath the surface of a seemingly placid community, seething with the pressures of race, love, hate, and; always; political power, extending from the town fathers all the way to Washington, DC. With a new foreword by the author, this volume will be a collector's treasure for all fans of Stuart Woods.
