Maxie Dove is the headstrong daughter of a once wealthy family, who has seen better days. She doesn't suffer fools easily, and so when the highly esteemed future brother in law of her older sister comes to visit, she is not at all impressed with his good looks, nor his bank account. While the other females in the family fawn over and fall over backwards to please the handsome Jackson Collins, Maxie has made it her life's mission to thwart him at every turn. Fireworks aren't the only things that ignite once this Texan decides to take charge of the little hellion.
