## The Best American Infographics 2013

The rise of infographics across virtually all print and electronic media—from a striking breakdown of classic cocktails to a graphic tracking 200 influential moments that changed the world to visually arresting depictions of Twitter traffic—reveals patterns in our lives and our world in fresh and surprising ways. In the era of big data, where information moves faster than ever, infographics provide us with quick, often influential bursts of art and knowledge—on the environment, politics, social issues, health, sports, arts and culture, and more—to digest, to tweet, to share, to go viral.

*The Best American Infographics* captures the finest examples from the past year, including the ten best interactive infographics, of this mesmerizing new way of seeing and understanding our world.
