There But For The: A Novel

Ali Smith

There But For The: A Novel Ali Smith

When a dinner-party guest named Miles locks himself in an upstairs room and refuses to come out, he sets off a media frenzy. He also sets in motion a mesmerizing puzzle of a novel, one that harnesses acrobatic verbal playfulness to a truly affecting story.

Miles communicates only by cryptic notes slipped under the door. We see him through the eyes of four people who barely know him, ranging from a precocious child to a confused elderly woman. But while the characters' wit and wordplay soar, their story remains profoundly grounded. As it probes our paradoxical need for both separation and true connection, *There but for the* balances cleverness with compassion, the surreal with the deeply, movingly real, in a way that only Ali Smith can.

From reader reviews:

Charles Jones:

Information is provisions for those to get better life, information nowadays can get by anyone on everywhere. The information can be a information or any news even restricted. What people must be consider if those information which is in the former life are hard to be find than now's taking seriously which one works to believe or which one typically the resource are convinced. If you obtain the unstable resource then you buy it as your main information we will see huge disadvantage for you. All those possibilities will not happen in you if you take There But For The: A Novel as the daily resource information.

Pedro Murray:

Reading a e-book tends to be new life style within this era globalization. With reading you can get a lot of information which will give you benefit in your life. Together with book everyone in this world may share their idea. Ebooks can also inspire a lot of people. Many author can inspire their reader with their story as well as their experience. Not only situation that share in the textbooks. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on earth always try to improve their skill in writing, they also doing some study before they write for their book. One of them is this There But For The: A Novel.

Charline Bynum:

Your reading 6th sense will not betray an individual, why because this There But For The: A Novel publication written by well-known writer whose to say well how to make book which can be understand by anyone who else read the book. Written inside good manner for you, dripping every ideas and creating skill only for eliminate your personal hunger then you still question There But For The: A Novel as good book not merely by the cover but also from the content. This is one publication that can break don't determine book by its deal with, so do you still needing a different sixth sense to pick that!? Oh come on your reading sixth sense already told you so why you have to listening to another sixth sense.

Virginia Berry:

Is it anyone who having spare time and then spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something totally new? This There But For The: A Novel can be the response, oh how comes? A book you know. You are thus out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these textbooks have than the others?
