Titanic 2012: Curse of RMS Titanic Robert W Walker

This historical generational horror/suspense/science fiction novel defies genre classification as it has intrigue and terror. It is a Centenary retelling of the Titanic story to destroy all the false legends surrounding Titanic. “From a master of terror and suspense,” according to Clive Cussler, author of *Raise the Titanic*, herein lies a compelling reason that forces Captain Edward J. Smith to scuttle his own ship—RMS Titanic. What dark secret prompts such an action on the part of a veteran, retiring captain on a ship’s maiden voyage? What prompts men a hundred years later to pillage the wreck of the Titanic? What secret lies buried within the lost ship—a secret that could destroy all life as we know it? The answers are unveiled in April 1912 and in April 2012...and there will be blood..
