Ever wonder why some blackjack players just seem to do great while you struggle? It may be more than just a few things that are helping them, but you too can easily learn to reduce the house edge at blackjack to the best game in the casino!

True Blackjack is an easy to understand, practical guide to all things blackjack, from card values and beginner rules to soft and hard hand explanations, examples, and advice for playing split hands and double downs. Whether you are brand new to the game or have plenty of action under your belt you'll find everything you need to beat the game of blackjack.

Author Ron Johnson offers his own story of how he went from novice player to card counter and professional blackjack team player and shares the ups and downs of hitting the casinos on a regular basis. Along the way you'll learn Basic Strategy, actual card count systems, and get introduced to the inside of the casino and what the bosses look for in the way of cheating and advantage players.

You'll also learn the best way to practice, how to look like a rookie at the tables even when you are an accomplished player, and how to maximize your wins without giving away your secrets! True Blackjack is the truth behind the game of blackjack without the hype and hyperbole. You can improve your game; you just need a little help. Fortunately, help is found right here!
