The world in which we live is full of moral chaos. People everywhere are looking for answers to questions like:

How do I deal with my alcohol problem?

Is there hope for me and my pornography addiction?

When my marriage falls apart and I'm left alone, how do I pick up the pieces and rebuild my life--God's way?

In a world that's anything but wholesome, how do I instill good moral values in my children?

When the chilling hand of death takes someone close to me, where do I find the strength to face tomorrow?

However, the chaos and confusion that this world offers us has also found its way into the church. Some of the real challenges facing the Lord's church today are things like:

Taking the right approach to Bible study.

Reaching out to my brethren who are in error, and then knowing what to do when they will not repent.

Worshipping God in the 21st century, and doing so "in spirit and in truth" just like the 1st century Christians did.

How to reach out to my friends in the denominational world.

In this book, "What Wilt Thou Have Me to Do: A Practical Series of Lessons from God's Word," the writers are answering these questions and more. They're tackling the tough assignments, and providing insight into how God would have us to act in an ever changing world.
