Appalachian Pages

David Miller and Rick Towle

Appalachian Pages David Miller and Rick Towle

Appalachian Pages contains all the information you need for a hike of any length on the Appalachian Trail. The book is thoughtfully assembled to function as an efficient piece of hiking equipment. It is concise, lightweight, and easy to use. All information relative to each section of trail is located on adjacent pages. Other features include:

- Mileages to landmarks along the trail, such as peaks, valleys, shelters, water sources, road crossings, along with the elevation at each location
- Mileages in both south-to-north and north-to-south directions
- Profile maps
- Double shelter mileages: every shelter entry gives the distance to the next two shelters in both directions
- Town maps, post office locations and hours, places to eat, sleep and resupply
- Perforated pages so that ounce-thrifty hikers can detach and carry selected pages
- Symbols to make resources easily identifiable

From reader reviews:

Steven Cruce:

As people who live in the modest era should be upgrade about what going on or facts even knowledge to make these keep up with the era that is always change and move forward. Some of you maybe will certainly update themselves by reading through books. It is a good choice for you but the problems coming to you is you don't know which one you should start with. This Appalachian Pages is our recommendation so you keep up with the world. Why, because this book serves what you want and want in this era.

Kayla Wilson:

Nowadays reading books be than want or need but also be a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book which improve your knowledge and information. The info you get based on what kind of publication you read, if you want attract knowledge just go with training books but if you want sense happy read one together with theme for entertaining including comic or novel. Often the Appalachian Pages is kind of guide which is giving the reader unforeseen experience.

Pamela Jernigan:

Information is provisions for anyone to get better life, information currently can get by anyone at everywhere. The information can be a knowledge or any news even an issue. What people must be consider while those information which is within the former life are challenging to be find than now is taking seriously which one is suitable to believe or which one the actual resource are convinced. If you get the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Appalachian Pages as the daily resource information.

Bryant Davidson:

Appalachian Pages can be one of your nice books that are good idea. We recommend that straight away because this reserve has good vocabulary that can increase your knowledge in vocab, easy to understand, bit entertaining but nonetheless delivering the information. The writer giving his/her effort that will put every word into enjoyment arrangement in writing Appalachian Pages yet doesn't forget the main place, giving the reader the hottest and based confirm resource info that maybe you can be considered one of it. This great information may drawn you into brand new stage of crucial imagining.
