## **Bloodstone** Gwen Hunter

An attack at a trade show. A ransacked hotel room. An ominous message on her answering machine.

The threats come out of nowhere.

And they cannot be ignored.

Tyler St. Claire has long tried to disregard her family's "gift" of second sight, but when she learns of her older brother David's mysterious abduction, she begins to understand that she can no longer afford to deny her legacy. Instinctively she knows that there is a connection between her family's uncanny abilities and David's disappearance.

Grudgingly accepting the help of Evan Bartlock, an off-duty cop, Tyler uncovers information on a shadowy organization that once employed David. Now Tyler must trust her family, her friends and, most of all, herself to unlock a dark web of conspiracy and murder—and confront an enemy who "sees" as well as she does.
