Demons Wayne Macauley

Praise for Wayne Macauley's *The Cook*:

"Irresistible—reminds us just how exciting it is to read a wonderful and original novel."—Lloyd Jones

"A riot of a book! Gripping and subversive."—Nick Cave

"Thought-provoking and brilliant."—*The Guardian*

"A delicious satire of foodie culture, fast-paced, complex, and thoroughly well done."—*Large Hearted Boy*

"An intense experience, like stepping into a steamy, industrial kitchen, with pots boiling over on every surface . . . consistently hilarious."—*Daily Telegraph*

It is the middle of winter. Four middle-aged couples make the journey down the Great Ocean Road to a remote beach house. Without phones, internet, or television, they plan to sit around the fireplace for the weekend, telling stories that might explain the passage of their own lives.

Nothing goes to plan. As a storm rolls in, the implications of what they reveal to each other grow more shocking, and soon torrential rain cuts the party off from the outside world. Some stories aren't meant to be shared, and there are consequences that come with the truth.

An extraordinary and unexpected psychological thriller.

For fans of *The Dinner* by Herman Koch and *The Slap* by Christos Tsoolkias, this is a great novel for book club discussions.

Wayne Macauley is the author of three highly acclaimed novels: *Blueprints for a Barbed-Wire Canoe*, *Caravan Story*, and, most recently, *The Cook*. He lives in Melbourne.

From reader reviews:

Andrew Sessions:

Book is definitely written, printed, or created for everything. You can understand everything you want by a publication. Book has a different type. As we know that book is important thing to bring us around the world. Alongside that you can your reading talent was fluently. A guide Demons will make you to be smarter. You can feel more confidence if you can know about every thing. But some of you think which open or reading a new book make you bored. It is far from make you fun. Why they are often thought like that? Have you in search of best book or appropriate book with you?

Elizabeth Hager:

Reading a book tends to be new life style in this particular era globalization. With studying you can get a lot of information that can give you benefit in your life. Together with book everyone in this world could share their idea. Publications can also inspire a lot of people. A lot of author can inspire their reader with their story or even their experience. Not only the storyplot that share in the ebooks. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on earth always try to improve their ability in writing, they also doing some study before they write for their book. One of them is this Demons.

Damon Smith:

People live in this new day time of lifestyle always try and and must have the time or they will get great deal of stress from both lifestyle and work. So , whenever we ask do people have free time, we will say absolutely without a doubt. People is human not just a robot. Then we consult again, what kind of activity are there when the spare time coming to you of course your answer will probably unlimited right. Then do you try this one, reading guides. It can be your alternative in spending your spare time, the book you have read will be Demons.

Anne Hahn:

Many people spending their time period by playing outside together with friends, fun activity having family or just watching TV 24 hours a day. You can have new activity to invest your whole day by reading a book. Ugh, think reading a book really can hard because you have to accept the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Smartphone. Like Demons which is finding the e-book version. So , try out this book? Let's find.
