Nightbane RPG C.J. Carella

The world has never quite been the same since Dark Day. The day there was no sun rise, no moon or stars for that matter, only absolute darkness and hysteria. It is your seventeenth birthday when "The Becoming" changes your life and your world view forever. That was the day you discovered there were two of you, your human-self and the inhuman creature you can become at will.

You quickly learn there are "monsters" in the world, both human and supernatural, evil and good. The question is, which are you?

Title for this game subsequently changed to Nightbane.
