Two full length fantasy romance thrillers for grown up readers!

In Fairytale, Brigit Malone discovers her talent at forging art has a magical root, and that one of the paintings she's forced to replicate is actually a message from her twin sister, Bridin, calling her back to the land of Rush.

She must first win the trust of her enemy, and then betray him. Adam is a brooding, wounded man who refuses to believe in anything. Brigit can be his salvation, or become his living proof that magic and love do not exist.

“Action packed from beginning to end, Forever Enchanted pulls you in from the very first page and never lets go.” –Literal Addiction

In Forever Enchanted, Bridin must return to the enchanted land of Rush to reclaim her throne from the Dark Prince who took her kingdom. But Tristan's been deposed by his evil brother, and now the two exiled lifelong enemies must work together, not only to free Rush from a reign of terror, but to ensure their very survival.
