Sandra Forrester

Beatrice Bailey is tall, skinny, and about to turn twelve years old. On that birthday she will get her official classification as a witch. But will she be named an ordinary Everyday Witch or a specially empowered Classical Witch? When the big day arrives, the Witches' Executive Committee can't decide how to classify her. At last, they agree that her Maximum Magic Level must be tested, and to pass the test she must break a spell that has been cast by the evil sorcerer, Dally Rumpel. Thus begins Beatrice's series of adventures. Breaking the spell takes Beatrice and her three best friends to several dangerous realms within the witches' sphere. In this tale, their main challenge is to get past an enchanted hedge of thorns and a fire-breathing dragon to undo the spell that has cast the land in snow and ice. Author Sandra Forrester promises further bewitching adventures in books to come. In each adventure, Beatrice makes new friends who help her when she goes on to face dangerous new encounters. Here's a combination of fantasy, whimsy, and high adventure guaranteed to keep young readers turning the pages. (Ages 10-14)
