This fully updated road map covers the whole of Britain, shown at 3.2 miles to each inch, and includes a route planning section, speed camera sites, and over 30 categories of places of interest

This fully updated road atlas covers the whole of Britain with each scale of mapping color-coded for ease of use. The smallest scale maps are great for long distance route planning, and the street plans help you locate your final destination. The atlas also includes a wide range of urban area maps at even larger scale and 64 detailed town center street plans. The mapping shows speed limits at speed camera locations. The atlas has easy to use, clear road maps at a scale of 3.2 miles to 1 inch of England, Wales, and Southern Scotland. Northern Scotland is shown at 5 miles to 1 inch. A route planning section including maps at a scale of 15.8 miles to 1 inch (1:1,000,000) for long distance route planning, motorway services information, and a handy distance calculator. 22 urban area approach maps at 1 mile to 1 inch which clearly show the best routes through and into the busiest built-up areas. 64 street maps focused on town centers show places of interest, car park locations, and one-way streets. This atlas features fully updated fixed speed camera sites with average speed camera locations clearly highlighted. All speed cameras show the speed limit. There is an M25 orbital map, as well as information about restricted motorway junctions. Park & Ride locations are shown, which are ideal when visiting towns and cities. There are over 30 categories of places of interest, including castles, theme parks, sports venues, universities, mountain bike trails, and surfing beaches. Finally, there are full post codes for the top 1000 places of interest—ideal for use alongside satnav systems.
