I would like to thank you for buying my first published poetry book. I hope you enjoy reading this book, just as much as I enjoyed writing it. A Lover's Notebook was written for that person who still believes that no matter whether good or bad, love is still real. I pray that this book enlightens your preference on love. Always remember that regardless of how many times love runs in and out of your life, there is still that someone who will love you and is waiting for your love in return. Once again, thank you for buying my book and thank all those who made this book possible. If you were a lover, friend, one of those who believed in me, doubted me, or that person who was just in my life for a second I thank you. Enjoy and God bless!
