One Magical Summer in Oakville, Wisconsin, Love Finds its Way through Four Entwined Lives. Tessa Hasmer Murphy has a secret. Estranged from her husband, will she let a past love and a fight to save the family farm destroy her marriage and daughter Lindsay's happiness? Lindsay Murphy plans to live on her grandparents' farm until she can find a job, but developer Brandon Calloway has other plans for the property. As she wages war against him, will she lose her heart and the farm both? Widower Arthur Hasmer's life and that of his son, Andy, spiral out of control. Then old friend, Dana London, reenters the picture with the power to help them all back to love, joy and faith. Andy Hasmer has the ultimate bummer life. No mom, not much of a dad, no future. When he's sent to the farm and wrecks the truck, nothing could be worse than the lousy job he takes to pay Grampa back-except maybe putting up with the pastor's daughter, Ella.
