Code Name KINDRED SPIRIT takes us directly into the murky world of nuclear espionage. But it is also a daunting story about the fate of the man who brought the bad news. After the scandal broke, Trulock found himself the targeted by the Clintonites who resented him for speaking out. He was smeared as a bigot and a mentally unstable alarmist. When he attempted to tell his side of the story, the FBI tried to silence him by claiming he had revealed classified data. He was demoted and driven out of government, his career and his personal reputation ruined. Code Name KINDRED SPIRIT tells the inside story of one of the major spy scandals of recent years. It reads like a Le Carre story told by Franz Kafka.
