This book contains proven steps and strategies on how to win your ex back, and this time, make things right in your relationship. While there are many methods to get an ex-lover back, not all of these will be applicable to your situation. Thus, this book covers the most effective and widely used tactics. Moreover, we will discuss the proper timing to make the moves and what are the right manners to avoid driving your ex farther away instead of winning them again. A little more awareness on how people think after break-ups will also help you understand their attitude towards you. If you are recently broken, don't feel lost. You can win him or her back again, and this is relatively easier than what you think.
