Teaching to Learn, Learning to Teach: A Handbook for Secondary School Teachers

Alan J. Singer

Teaching to Learn, Learning to Teach: A Handbook for Secondary School Teachers Alan J. Singer

Teaching to Learn, Learning to Teach uniquely addresses three problems that frequently concern pre-service and beginning teachers: classroom control, satisfying state and federal mandates, and figuring out exactly what is the role of the teacher. Integrating practical, theoretical, and critical teaching considerations, it presents a model student-centered approach for designing lessons, developing personal connections with students, and building classroom communities: PRO/CLASS Practices (Planning, Relationships, Organization, Community, Leadership, Assessment, Support, Struggle). Pre-service teachers are encouraged to reinterpret the principles and continually redefine them as they develop their own reflective practice.

Changes in the Second Edition

- Updates throughout with attention to the Common Core State Standards, high stakes testing, the possibilities and limitations of technology use in the classroom, and preparing for the job market/
- Fully revised chapter on literacy
- New interviews with teachers
- Companion Website: Supplemental planning, teaching, and assessment materials; 32 extended essays including a number of the author's widely read *Huffington Post* columns; interviews with beginning and veteran teachers; Ideas for Your Professional Portfolio, Resume, and Cover Letter; Recommended Websites for Teachers
